

## ***RULES FOR EQUESTRIAN USE OF INDOOR ARENA***

1. All riders must prominently display evidence of a Township Facility Use Permit while riding. (As an example, the Alexandria Equestrian Association tag showing that the rider is a current AEA member is sufficient evidence of a valid permit.)
2. All riders must sign a release form by printing and signing your name, permit number (e.g., AEA tag #), date, and time entering and exiting arena. Failure to sign in could jeopardize your arena privilege.
3. It is the responsibility of each rider to wet down the footing (if necessary) in order to minimize dust. Water connections and hose are in the arena.
4. All trucks and trailers must be parked in the large parking lot on the right as you enter the park. Trucks and trailers are not to be parked next to the arena. You must lead your horse into and out of the arena.
5. You may only be mounted within the indoor or outdoor arena. You must dismount when leaving the arenas.
6. No horses will be tied to structures or equipment in the arena.
7. No jumping.
8. All manure must be picked up and removed from the site whether in the arena, stall areas, or in the parking area.
9. **Absolutely No Smoking** within the arena area or within 50 feet of the building.
10. All coaches/trainers/students must have a Township facility use permit. Trainers may give lessons to only one student at a time.
11. Last rider leaving arena must shut off the lights and close all doors.
12. Any riders failing to obey these rules or acting/riding in a discourteous or unsafe manner will jeopardize their arena use privilege.
13. It is the responsibility of all riders to observe these rules. Report infractions to Mr. Sal Aversa, Park Committee, 996-0014, for action. If infractions are allowed to go unheeded, it could cost us all our arena privileges.
